October is National Breast Cancer Awareness Month

In the spirit of National Breast Cancer Awareness Month, UH Richmond Medical Center’s Radiology Department (27100 Chardon Road) is offering designated same-day mammogram appointments between the hours of 11:30 a.m. and 1:30 p.m. for Tuesday, October 18, 2016. If it has been more than one year since your last screening, you may be eligible to receive a mammogram. The Center’s breast health physician, Lisa Rock, MD, will be in the lobby on October 18 from 12 p.m. to 1 p.m. providing written orders for mammogram screenings. Stop by the table, and she will help get you scheduled. If you have questions and want to make an appointment that fits your schedule, please call 440-735-4723. Women who receive their mammogram in the month of October will receive a free gift, compliments of UH.
