Richmond Road Update

The \$2 million Richmond Road resurfacing project, which is 90% funded by the federal government, was awarded to Burton Scot Contractors. It is slated to begin mid to late April and will span from the Euclid border to the Lyndhurst border. As part of the 2019 County Road Preventative Maintenance Program, the City was awarded \$35,000 for improvements on Curtis-Wright Parkway, Harris Road, and Wilson Mills Road. The City continues to apply for, receive, and utilize grants, while collaborating with other government resources, to maximize the funding of City improvements and update equipment and facilities.

Spring Yard Clean-up

The City's chipper loops through the city on the 2nd and 4th weeks of the month. When you wish to have the City pick up your limbs, please ensure each limb is stacked in a neat pile on your tree lawn, with the heavy end/larger diameter of all limbs pointing down the street. Large, wide limbs should be cut into narrower sections, so that they will fit through the mouth of the chipper. The City can chip anything that is approximately 1/2 inch to 3 1/2 inches in diameter. Anything that is greater than 3 1/2 inches in diameter should be cut in 15" lengths and can be used for firewood. If you bag your leaves, [Waste Management](#) will pick them up.
