Welcome to our e-newsletter publication. I invite you to pack a lunch this coming Monday, September 14th for "Meet Up Monday" with host Carolyn from Community Partnership on Aging. This event starts at 12 noon at the Richmond Heights Community Park located at 27285 Highland Road. This outdoor lunch/social hour will give you a chance to possibly meet a new friend, catch up with an old one and enjoy the late summer weather. Social distancing will be practiced, and all attendees will receive a special treat from CPA. Call 440-473-5138. The Community Partnership on Aging offers a wide variety of programming in our community and surrounding communities to help ease the social isolation many have felt during this pandemic. What a great way to treat yourself.

NEWS, EVENTS, HIGHLIGHTS

RIBBON CUTTING OFFICIALLY OPENED NEW PLAYGROUND

Mayor David Roche officially opened the new playground by cutting the Grand Opening Ribbon on September 10th. Thanks went out to Nature-Works Ohio Department of Natural Resources for awarding grant funds of \$120,712.00 to replace our obsolete playground with this beautiful new ADA compliant expanded playground for children ages 2-13. The total estimated cost of the project was \$161,000.00. A special thank you to the

Richmond Heights Kiwanis Club for their \$2,000.00 donation in support of this project in addition to the \$38,238.00 in budgeted City funds. Without the excellent work performed by all our Service Department workers and assistance from Economic Development Director Brian Gleisser, Economic Development Assistant Rachel Gardiner, and the Recreation Department & Director Rick Dula, the grant & this playground structure would not have been possible. Playground designer Kevin Hindes was on hand as well as council members, city staff & residents.
