 THE CITY EDITION

**COME ENJOY RHYTHM AND RIBS  
SATURDAY, JULY 7**

Come join us for jazz and barbecue as the City of Richmond Heights celebrates on Saturday, July 7. Rhythm and Ribs will take place from 5:00 p.m. - 8:00 p.m. at the Richmond Heights Community Park. Sammy DeLeon will be performing from 5:00 p.m. - 6:15 p.m. and Smuth Pik will be entertaining from 6:30 p.m. - 8:00 p.m. Richmond Heights local vendors Parker & Sons BBQ and Wang Dang Doodle will be serving up some delicious barbecue.

**FREE SUMMER CONCERT  
SERIES RETURNING  
TO HILLCREST AREA**

Each year, the City of Richmond Heights proudly works in collaboration with the Hillcrest area communities (which encompass Lyndhurst, Mayfield Village, Mayfield Heights, Richmond Heights and South Euclid) to host a free, family-friendly Hillcrest Summer Concert Series. Nearly 50 concerts will take place this summer. Please refer to page two for the Richmond Heights Summer Concert Series. Full details are available at [richmondheightsohio.org](http://richmondheightsohio.org).

**A Message from Mayor David H. Roche**

Richmond Heights is home to a diverse culture. Our residents enjoy our many popular winter/spring community activities, including the City's Breakfast with Santa, Annual Easter Egg Hunt, and Community Garage Sale making each a huge success! The fun continues with several summer events such as the National Night Out, the Youth Boys and Girls Soccer Camp, and the city pool, managed this year by Hastings Water Works. I'm especially excited about the Rhythm and Ribs Festival. This is free event for all-ages featuring local musicians and locally-crafted food available to purchase, so bring lawn chairs and blankets to enjoy great music! We also collaborate with area communities to offer over 40 free, family-friendly concerts in the Hillcrest Summer Concert Series.

It is our objective to run operations efficiently while maintaining a safe healthy community. To enhance city funding we continuously seek grants that can assist with infrastructure, equipment upgrades, staffing, safety equipment, and community events. Most recently we secured a \$48,000.00 grant from Cuyahoga County's Community Development Supplemental Grant Program, which will be combined with the Regional Sewer District Storm Water Fee - Local Share Fund for construction of a sanitary sewer line to the main house. This will improve the Greenwood Farms sanitation system and enable the facility to be utilized year-round.

In 2017 the Division of Fire was awarded an Assistance to Firefighters Grant (AFG) from the U.S. Department of Homeland Security (DHS) for the purchase & installation of a Source Capture Exhaust System (SCES) for the fire station in the amount of \$80,000. Installation of the SCES will begin in June 2018.

The City of Richmond Heights Police Department shares police resources with area communities as a member of SPAN (Suburban Police Anti-crime Network) and by using the Heights Hillcrest Communications Center for police dispatch. We contracted with the County Jail to house arrested persons, reducing our costs and liability exposure.

Renovations at the Cuyahoga County Airport should be completed in about 3 months. Work includes resurfacing the airport's runway and installing the FAA-mandated safety

enhancement known as Engineered Materials Arresting System (EMAS). EMAS acts almost like wet cement to stop a plane's wheels and progress, reducing the severity of an episode in which a plane might otherwise continue on its path beyond a runway.

Our efforts to work toward financial strength were recognized in April when Moody's Investors Service of New York announced a two-level upgrade to the Richmond Heights' credit rating from "Baa" to "A2". The improvement in our investment grade means people are more willing to invest in us, and at lower interest rates. The upgrade reflects the city's improved reserve levels, low debt, and strength and stability in city leadership to ensure sustainable city funding.

We are pleased to announce that DealPoint Merrill is converting the former Macy's building at the Richmond Town Square into the future home of the self-storage business CubeSmart, with a 37,000 square-foot space to be available for retail.

## VEHICLE PARKING

A common complaint in our neighborhoods is the parking of vehicles on lawns or other grassy areas. City Ordinance prohibits the parking of vehicles on any surface that is "not improved for vehicle use." (Ord. 351.03(19)) Any area improved for vehicle use is defined as, "*a surface that is either asphalt or concrete and complies with City Building Code Ordinances*".

Another common parking complaint concerns vehicles that are out of repair, inoperable or unlicensed parked in driveways. If a vehicle cannot be driven, either out of repair mechanically, or having flats tires or if it does not have current license plates, it cannot be parked on private property UNLESS it is enclosed in a garage (Ord. 346.01 & 351.16).

## PROCLAMATION GIVEN TO BRENDA SPARKS FOR YEARS OF SERVICE AND DEDICATION

Richmond Heights Police Department Dispatcher Brenda Sparks was presented with a proclamation from Mayor Roche and the City Council for her 29 + years of service as a part time Public Safety Dispatcher. Brenda was also a resident of Richmond Heights during her years of service to the community. Brenda will certainly be missed by her co-workers not only as a dependable member of the agency but more importantly as a great person. The photo to the right shows the Mayor and Brenda and some members of the department that wanted to share the moment with her.

## NEW REGIONAL DISPATCH CENTER FOR POLICE, FIRE AND EMS

On September 1, 2017, the City of Richmond Heights joined the Heights Hillcrest Communication Center, a regional collaboration by the communities of Cleveland Heights, Richmond Heights, Shaker Heights, South Euclid and University Heights, to provide police, fire and EMS dispatching to all five communities from one dispatch center.

Beginning in September of 2017, one by one each city began the transition of their dispatch operations from their own dispatch center to the new center, which is located in Cleveland Heights. Richmond Heights made that transition on February 28, 2018, closing its 24 hour dispatch center at the police department. Residents and visitors of Richmond Heights will continue to benefit from the same high quality police, fire and EMS responses and service. Telephone calls to (216) 486-1234 (police), (216) 486-1212 (fire & EMS) and 9-1-1 calls will be answered by the new center and those services will be dispatched in the same manner as in the past.

The transition to the new center has gone relatively smoothly, with the primary challenges related to technical issues, data conversion and developing new procedures internally for the police and fire department. The primary function of receiving calls for service and dispatching police, fire and EMS units has been a seamless transition. With the closing of the 24-hour police department dispatch center, clerical and administrative functions in the police department will only be available Monday - Friday between the hours of 8:00 a.m. - 5:00 p.m., except on holidays. These functions include getting copies of police reports, paying parking tickets, obtaining permits, obtaining tow releases for impounded vehicles, etc. After these hours, persons coming to the Police Department will be required to state the nature of their business via an intercom to a dispatcher at the Heights Hillcrest Communications Center, who will then notify an on-duty officer.

Our transition to regional dispatch equates to savings of taxpayer dollars. There is now improved coverage at lower costs, and we now benefit from updated, state-of-the-art equipment. Our recent move to regional dispatch is one of numerous ways our City is ensuring residents receive top-quality service at the best-possible rate.

## RICHMOND HEIGHTS GARDEN CLUB NEWS

The Richmond Heights Garden Club is completing its 49<sup>th</sup> year. This year members enjoyed many informative and interesting gardening and horticultural programs and field trips to garden spots as well as our popular and well attended Spring Luncheon.

In June the Garden Club will have the installation of officers for the coming year. Donations were made to the Flower Basket Program, Greenwood Farm, and a tree was donated during the annual Arbor Day celebration at the Richmond Heights Community Park.

The Garden Club meets on the third Thursday of the month at the Kiwanis Lodge, 27285 Highland Road, located at the back of the Richmond Heights Community Park resuming in September. Yearly membership dues are \$10.

If you are interesting in joining the Garden Club or for more information, please contact Dolores Sciaulino at (216) 382-7866.

## HELP KEEP RICHMOND HEIGHTS BEAUTIFUL; DON'T LITTER AND CLEAR YOUR PROPERTY OF DEBRIS

Part of keeping Richmond Heights a vibrant place to live is to avoid littering in all circumstances. Culverts sometimes become home to trash, such as broken glass, plastic soda bottles, telephone books, newspapers, and other abandoned materials, which does not represent our community well. If you see trash on or near your property, please do your neighbors and passersby a favor and pick up and clear debris. Let's work together to keep Richmond Heights beautiful.

## IMPORTANT TRASH DETAILS FOR GARBAGE PICKUP

If you have a special bulk item pickup request or missed trash pickup, please contact the City's Service Department at (216) 731-7014, and they will be happy to assist you or contact Waste Management at 1 (866) 797-9018.

All trash **must** be out by 7:30 a.m. Please be aware of the fact that sometimes Waste Management changes their routes, or they have a new driver, and this could change the time of day your trash is picked up. There are numerous times residents call because of missing their trash pickup since the truck came earlier than normal. That is why 7:30 a.m. is the time to have garbage outside. **REMINDER:** There is **NO** leaf pickup in the spring. Please bag your leaves and put them out with your trash.

## RECYCLING AND TRASH DISPOSAL INFORMATION

The recycling pickup schedule is: South of Highland Road the 1<sup>st</sup> & 3<sup>rd</sup> Mondays of the month; and North of Highland Road the 2<sup>nd</sup> & 4<sup>th</sup> Mondays. If there is a 5<sup>th</sup> Monday in the month, there is **NO** pickup. If a holiday falls on a Monday, the recycling or trash will be picked up on the next day. The schedule of holidays is on the City of Richmond Heights website, or you can call the Service Department at (216) 731-7014.

You can co-mingle all of the recycling into one bag. (Plastic, cans, glass, and cartons, like cereal boxes, and frozen dinner boxes etc.) Cardboard and paper still need to be brought to the paper bin at the Service Garage.

You must roll, tie and cut carpet into 4-ft. lengths and then place it with your trash for pickup.

## SPECIAL RECYCLING PROGRAMS AT THE SERVICE GARAGE 26260 CHARDONVIEW ROAD

### HHW – Household Hazardous Waste Disposal

This collection will be held every Saturday in the months of: July and October, from 9:00 a.m. – 1:00 p.m.

### Recycle Your Computer & Scrap Tire Round Up

Every Saturday in August from 9:00 a.m. – 1:00 p.m.

**Reminder:** No tires will be accepted with rims

**Accepted Items:** Oil or solvent based paint, sealers, primers or coatings (aerosols or liquid); varnishes, polyurethanes, shellacs; paint thinner, mineral spirits, turpentine; pesticides, herbicides, fungicides; caustic household cleaners; pool chemicals; automotive fluids, motor oil, car batteries, adhesives, roof tar, driveway sealer; kerosene, gasoline, lighter fluid; fluorescent bulbs (6 foot max). **Materials Not Accepted:** Latex paint; explosives, gun powder, ammunition flares; medical waste, medicine, smoke detectors; tires; electronics, appliances, business or commercial waste.

## MOW YOUR LAWN SO WE DON'T HAVE TO

It is grass cutting season again! Please make sure to cut your grass weekly to AVOID a Tall Grass Assesment. Any Richmond Heights residence who's grass is higher than six inches will be cut by the City's landscaper and all costs will be charged to the homeowner. Unkept property brings down all home values in the neighborhood. **Take pride in your home!**

## RICHMOND HEIGHTS SENIOR CITIZEN CLUB NEWS

As part of the Richmond Heights Senior Citizen Club, you will reap the benefits of an accepting, friendly atmosphere coupled with the joy that comes with mingling with friends and neighbors. You must simply be a Richmond Heights resident who is 50 years of age or older to enjoy this highly social, intrinsically rewarding group. If you are not a member yet, now is the time to join! Senior members of the club are currently recruiting new, young-thinking individuals. Currently, the group's membership consists of a few dozen people, with numerous members actively attending general meetings. We are looking to grow, so come alone—or better yet, bring a friend or neighbor who is also 50 years or older. Dues are a mere \$10 annually, and general meetings include a snack, in addition to entertainment or a live speaker. General meetings are held on the 2<sup>nd</sup> and 4<sup>th</sup> Wednesday of each month at 1:30 p.m. at the Kiwanis Lodge, located at 27285 Highland Road. For more information, please contact Senior Club President Mitzi Binder at (216) 531-1585.

## HILLCREST MEALS ON WHEELS

Richmond Heights is a part of Hillcrest Meals on Wheels, which aides the homebound, disabled and elderly residents. If you are unable to do your own grocery shopping and/or cooking, for a fee, you can have your meals delivered to your home Monday through Friday. For further information, call the office at (440) 449-3551. We are also looking for volunteers to help either in the office or to deliver the meals. Volunteers can work as little as two hours per week. If interested, please call (440) 449-3551.

## RICHMOND HEIGHTS KIWANIS CLUB SEEKS NEW MEMBERS

The Richmond Heights Kiwanis Club is a place where you can grow, give back and aid in sustaining the local community. With nearly 50 years in the making, Richmond Heights Kiwanis Club has dabbled in everything from building its own lodge to crafting the high school's football field stands and constructing the walking bridge that connects the schools and City Hall. "We try to do projects that in some way relate back to children," said Richmond Heights Kiwanis Club President Jerry Hoover. "We're an organization focused on youths."

"Intrinsically, most individuals want to give back, and as someone focused on giving, it makes you feel good to be part of a like-minded organization of people. The amount of satisfaction you get from accomplishing something that benefits the community is really incredible," Hoover said. He added one of the Club's missions is to take the desires and needs of people who want to give back and give them an outlet to fulfill their passions. "This is a Club in which you can really thrive," he explained.

The Club is open to folks ages 21 and older—including both males and females—and members pay a small annual membership fee of \$110. General meetings are held each Thursday at the Lodge at 6:30 p.m. The group starts with a standard opening, and then members enjoy a delicious meal together (cost, \$8) before engaging in a general meeting format. At times, meetings include a special guest speaker. On occasion, the group also engages in special entertainment, such as hosting tasty clam bakes, organizing Valentine's Day, St. Patrick's Day and other holiday festivities, attending horse harness races at the Hard Rock Rocksino, enjoying a Kiwanis Night at the Captains, and more.

"We're free to check out, so feel free to stop by our general meeting if you're new to the Club. We'll even throw in a free guest meal. Simply give me a call at (216) 780-4087 to indicate you will be attending," Hoover said.

## FLOWER BASKET PROGRAM

Individuals and businesses can contribute to Richmond Heights' beautification through the support of the Flower Basket Program. This summer, the City plans to purchase and install 24 flower baskets at the main intersections in Richmond Heights, and at City buildings and park locations. The Service Department will maintain the flower baskets through the summer months.

Suggested minimum support is \$100 for a business and \$50 for individuals. Baskets can be purchased "in honor of" or "in memory of" someone special. Please make checks payable to "City of Richmond Heights Flower Basket Program" and mail to: Finance Director; City of Richmond Heights; 26789 Highland Road; Richmond Heights, Ohio 44143. Donations will be accepted throughout the year. Recognition of your donation will be publicized in the "City Edition" by calendar year and on the City website.

## ANNUAL FIRE HYDRANT TESTING STARTS MAY 9

The Richmond Heights Division of Fire will begin conducting its annual Fire Hydrant Testing Program May 9. The work should be completed by the end of June.

The goal of our testing program is to assure a reliable water supply in the event of a fire. The testing is required by the Insurance Service Office (ISO) and must be completed annually in order to maintain our Fire Protection Rating, which directly affects property owner insurance premiums.

In addition to being a requirement of ISO, hydrant testing provides many benefits for fire personnel. We gain firsthand knowledge of where hydrants are located, assure they are visible from the road, operational as a "first water" source, and are able to confirm they are maintained on a regular basis.

Annually the Division of Fire conducts inspections to assure the hydrants we depend upon for extinguishing fires are operational, provide adequate water flow, and maintain adequate system pressure. NFPA standards also call for all public fire hydrants to be inspected on a regular basis. We perform annual inspections not only for the purpose of complying with the standards, but we need to have a high degree of confidence that all hydrants will perform properly in an emergency.

A number of circumstances can affect a hydrant's performance which includes vandalism, accidental damage, wear and tear, mechanical malfunction and even contractors performing work on water lines who forget to reopen hydrant tap valves. We want to detect any of these problems and correct them prior to the hydrant being needed.

This year starting in May we will resume our normal hydrant testing and maintenance program. Testing includes cleaning the threads, flushing and checking for working condition and flows. All testing is done by on duty personnel. Any fire hydrant found to be in need of repair are identified and tagged. Repairs are reported to and completed by the Cleveland Division of Water.

Should you notice fire personnel checking hydrants in your area, be assured our intentions are not to waste water or destroy property; we are working to ensure your safety. Should you notice a hydrant in need of repair, please call the Division of Fire or the Service Department so repairs can be initiated.
