

RESOLUTION NO.: 15- 2019
INTRODUCED BY: Ursu

A RESOLUTION TO AUTHORIZE A CONTRACT WITH THE AUDITOR OF
THE STATE OF OHIO FOR FINANCIAL STATEMENT AUDITS FOR THE
YEAR 2018.

WHEREAS, the City is required to have its annual financial statements audited in accordance with accounting principles generally accepted in the United States and needs this to be done for the year ending December 31, 2018, which services can be provided pursuant to the letter agreement from the Auditor of State attached hereto and incorporated herein as Exhibit A.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Richmond Heights, State of Ohio, that:

Section 1: The Mayor is authorized to execute the letter agreement attached hereto as Exhibit A with the Auditor of the State of Ohio for the services set forth therein in a total amount not to exceed \$28,700.00, and any additional work which would require an expenditure of funds above the \$28,700.00 shall be approved by this Council.

Section 2: If necessary, the Director of Finance is authorized and directed to appropriate to a proper account the funds necessary for the agreement authorized in Section 1 of this Resolution.

Section 3: It is found and determined that all formal actions of this Council concerning and relating to the adoption of this Resolution were adopted in an open meeting of this Council, and that all deliberations of this Council and any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

Section 4: This Resolution shall take effect and be in force from and after the earliest period allowed by law.

PASSED: 2-12-19

David H. Roche, Mayor

APPROVED: 2-12-19

ATTEST: Betsy Trahen

Eloise Cotton-Henry
President of Council

EXHIBIT A

OHIO AUDITOR OF STATE KEITH FABER

ENGAGEMENT LETTER

January 22, 2019

James Teknipp, Finance Director
City of Richmond Heights

This engagement letter describes the arrangement between the City of Richmond Heights (the City) and the Auditor of State including the objective and scope of the services we will provide, the City's required involvement and assistance in support of our services, the related fee arrangements, and other terms and conditions designed to ensure that our professional services satisfy the City's audit requirements.

Summary of Services

We will audit the City's basic financial statements as of and for the year ended December 31, 2018. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter. The objective of an audit is to express our opinion concerning whether the basic financial statements and related notes present fairly, in all material respects, the City's financial position, changes in financial position, and required budgetary comparisons, in conformity with U.S. generally accepted accounting principles.

We expect to deliver our report on or about September 30, 2019.

We will audit to form an opinion on the basic financial statements. We will also opine on whether supplementary information is fairly presented, in all material respects, in relation to the basic financial statements taken as a whole.

We will apply certain limited procedures to required supplementary information. However, we will not opine or provide any assurance on this information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any other assurance.

Engagement Team

The engagement will be led by:

- Dan Stuehrer, Chief Auditor, who will be responsible for ensuring the overall quality, value, and timeliness of our services to you.
- Matthew Goldman, Senior Audit Manager, who will be responsible for managing the delivery of our services to you, and
- Kyle Kifer, Audit Manager, who will be responsible for on-site administration of our services to you.

The Auditing Process

Our Responsibilities

The *Summary of Services* above describes our responsibilities for the City's basic statements and other financial information.

State of Ohio, 1015 Superior Ave., 9th Floor, Cleveland, Ohio 44114-2691
Phone: 216-793-1667 or 800-426-3897 FAX: 216-793-8221

Page 2

We will conduct our audit in accordance with U.S. generally accepted auditing standards (GAAS) and the Comptroller General of the United States' standards for financial audits included in *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure that the financial statements are free of material misstatement.

Because of inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatement may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS.

We may limit certain procedures to selective testing of data. Therefore we might not detect material error and fraud if it exists. It is not cost-efficient to design procedures to detect immaterial error or immaterial fraud. Also, because of the characteristics of fraud, including attempts at concealment through collusion and forgery, a properly designed and executed audit may not detect a material fraud.

We will communicate all instances where we believe fraud may exist to you. These would include instances where we:

- Have persuasive evidence that fraud occurred
- Determined fraud risks exist and were unable to obtain convincing evidence to determine that fraud was unlikely.

Similarly, noncompliance may have occurred. However, our audit provides no assurance that noncompliance generally will be detected and only reasonable assurance that we will detect noncompliance directly and materially affecting the determination of financial statement amounts. We will inform you regarding material error or noncompliance that come to our attention.

If we find indications of abuse, we will expand our tests to determine its financial statement effect. *Government Auditing Standards* defines abuse as behavior which while not necessarily a legal violation, is behavior a prudent person would deem improper or deficient. Because this determination is subjective, *Government Auditing Standards* does not expect auditors to provide reasonable assurance of detecting abuse.

If for any reason we are unable to complete the audit or are unable to form an opinion, we may disclaim an opinion on your financial statements. In this unlikely event, we will communicate the reason for disclaiming an opinion to you, and to those charged with governance in writing.

Your Responsibilities and Identification of the Applicant's Reporting Framework

We will audit assuming that management and those charged with governance acknowledge and understand they are responsible for:

1. Preparing the financial statements and other financial information, including related disclosures and selecting and applying accounting principles in accordance with accounting principles generally accepted in the United States of America.
2. Providing us with:
 - a. Access to all information of which management is aware that is relevant to preparing and fairly presenting the financial statements such as records, documentation, and other matters;
 - b. Written representations as part of the engagement, from management and/or attorneys, understanding separate legal fees from attorneys may result;
 - c. Additional information that we may request from management for the audit, and
 - d. Unrestricted access to persons within the City from whom we determine it necessary to obtain audit evidence.

3. Inform us of events occurring or facts discovered subsequent to the date of the financial statements of which management may become aware, that may affect the financial statements.
4. Preparing supplementary information in accordance with the applicable criteria.
 - a. Include our report on the supplementary information in any document that includes the supplementary information and that indicates that the auditor has reported on this supplementary information.
 - b. Present the supplementary information with the audited financial statements or, if the supplementary information will not be presented with the audited financial statements, to make the audited financial statements readily available to the intended users of the supplementary information no later than the date of issuance by the City of the supplementary information and the auditor's report thereon.
5. Reporting fraud and noncompliance of which you are aware to us.
6. Making available to the auditor draft financial statements and any accompanying other information in time to allow the auditor to complete the audit in accordance with the proposed timeline.
7. Reviewing drafts of the audited financial statements, footnotes, any supplemental information, auditor's reports and any findings, and informing us of any edits you believe may be necessary.
8. Designing and implementing programs and controls to prevent and detect fraud.

You should not rely on our audit as your primary means of detecting fraud.

Compliance with Laws and Regulations

Our Responsibilities

As part of reasonably assuring whether the financial statements are free of material misstatement, we will test the City's compliance with certain provisions of laws, regulations, contracts, and grants if noncompliance might reasonably directly and materially affect the financial statements. However, our objective is not to opine on overall compliance with these provisions.

Your Responsibilities

Management and those charged with governance are responsible for:

1. Being knowledgeable of, and complying with, laws, regulations, contracts, and grants applicable to the City.
2. Identifying for us other financial audits, attestation engagements, performance audits, internal audits, reports from regulators or other studies related to the City (if any), and the corrective actions taken to address these audits' significant findings and recommendations.
3. Tracking the status of prior audit findings.
4. Taking timely and appropriate steps to remedy fraud, noncompliance, violations of provisions of laws, regulations, contracts or grant agreements, or abuse we may report.

5. Providing your views and planned corrective action on audit findings we may report

Internal Control

Our Responsibilities:

As a part of our audit, we will obtain an understanding of your City and its environment, including its internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses.

In assessing risk, we consider internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of opining on the effectiveness of the City's internal control. However, we will communicate to you in writing any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.

Your Responsibilities:

Design, implement and maintain internal control relevant to compliance and the preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error. Appropriate supervisory reviews are necessary to reasonably assure that adopted policies and prescribed procedures are followed.

Your Responsibility for Service Organizations:

Service organizations are other governmental entities, organizations, or companies that provide services to you, as the user City, relevant to your internal controls over financial reporting. Service organizations process transactions reflected in your City's financial statements, and therefore fall within the scope of our audit. While service organizations are responsible for establishing and maintaining their internal control, you are responsible for being aware of the service organizations your City uses, and for establishing controls to monitor the service organization's performance. Because the complexity of service organization transaction processing can vary considerably, your monitoring activities can vary accordingly.

When transaction processing is complex and the volume of transactions is relatively high, obtaining and reviewing a service organization auditor's Independent Service Auditor's Report on Management's Description of a Service Organization's System and the Suitability of the Design and Operating Effectiveness of Controls Report (Type 2 Service Organization Control Report (SOC 1)) may be the most effective method of meeting your responsibility to monitor a service organization, and may also be the only efficient means by which we can obtain sufficient evidence regarding their internal controls. AT Section 321, Reporting on Controls at a Service Organization for service organization reports dated prior to May 1, 2017 and AT-C Section 320, Reporting on an Examination of Controls at a Service Organization Relevant to User Entities' Internal Control Over Financial Reporting for service organization reports dated on or after May 1, 2017 discuss the aforementioned report. (In some circumstances, we can accept a suitably-designed agreed-upon procedures report (AUP) in lieu of a SOC 1 report.)

You are responsible for informing our staff of the service organizations your City uses, and for monitoring these service organizations' performance.

Service organizations of which we are aware are:

- Cuyahoga County, which processes your City's property tax collections;
- Regional Income Tax Agency, which processes your City's income tax collections; and
- Life Force Management, which processes your City's emergency medical service fee collections.

Please confirm to us that, to the best of your knowledge, the above listing is complete.

Representations from Management

Our Responsibilities

Upon concluding our engagement, management and, when appropriate, those charged with governance will provide to us written representations about the audit that, among other things, will confirm, to the best of their knowledge and belief:

- Management's responsibility for preparing the financial statements in conformity with generally accepted accounting principles;
- The availability of original financial records and related data, the completeness and availability of all minutes of the legislative or other bodies and committee meetings;
- Management's responsibility for the City's compliance with laws and regulations;
- The identification and disclosure to the auditor of all laws, regulations, and provisions of contracts and grant agreements directly and materially affecting the determination of financial statement amounts and;
- The absence of fraud involving management or employees with significant roles in internal controls.

Additionally, we will request representations, as applicable, regarding:

- The inclusion of all components, and the disclosure of all joint ventures and other related organizations;
- The proper classification of funds, net position and fund balances;
- The proper approval of reserves of fund equity;
- Compliance with laws, regulations, and provisions of contracts and grant agreements, including budget laws or ordinances, compliance with any law or debt limits, and any debt covenants;
- Representations relative to required supplementary information;
- The identification of all federal assistance programs and compliance with grant requirements;
- Events occurring subsequent to the fiscal year end requiring adjustment to or disclosure in the financial statements.

Management is responsible for adjusting the financial statements to correct misstatements we may detect during our audit and for affirming to us in the representation letter that the effects of any uncorrected misstatements we aggregate during our engagement and pertain to the latest period the statements present are immaterial, both individually and in the aggregate, to the opinion units. (Financial statements include the related footnotes and required and other supplemental information).

Communication

Our Responsibilities

As part of this engagement the Auditor of State will communicate certain additional matters (if applicable) to the appropriate members of management and to those charged with governance. These matters include:

- The initial selection of and changes in significant accounting policies and their application;
- The process management uses to formulate particularly sensitive accounting estimates and the basis for their conclusions regarding the reasonableness of those estimates;
- Audit adjustments, whether posted or waived;
- Any disagreements with management, whether or not satisfactorily resolved, about matters that individually or in the aggregate could be significant to the financial statements or our opinion;
- Our views about matters that were the subject of management's consultation with other accountants about auditing and accounting matters;
- Major issues that were discussed with management related to retaining our services, including, among other matters, any discussions regarding the application of accounting principles and auditing standards; and

City of Richmond Heights
January 22, 2019
Page 6

- Serious difficulties we encountered in dealing with management during the audit

We will present those charged with governance our Summary of Identified Misstatements (if any) at the conclusion of our audit.

Terms and Conditions Supporting Fee

As a result of our planning process, the City and the Auditor of State have agreed to an approach designed to meet the City's objectives for an agreed-upon fee, subject to the following conditions:

Our Responsibilities:

In providing our services, we will consult with the City regarding matters of accounting, financial reporting or other significant business issues. Accordingly, our fee includes estimated time necessary for the consultation. Circumstances may require the Auditor of State to confirm balances with your financial institution resulting in additional nominal charges which will not require an amendment to this agreement. However, should a matter require research, consultation or audit work beyond this estimate, the Auditor of State and the City will agree to an appropriate revision in services and fee. These revisions will also be set forth in the form of the attached Amendment to Engagement Letter.

Your Responsibilities:

The City will provide in a timely manner all financial records and related information to us, an initial list of which has been furnished to you, including timely communication of all significant accounting and financial reporting matters, as well as working space and clerical assistance as mutually agreed upon and as is normal and reasonable in the circumstances. When and if for any reason the City is unable to provide these schedules, information and assistance, the Auditor of State and the City will mutually revise the fee to reflect additional services, if any, we require to achieve these objectives. These revisions will be set forth in the form of the attached Amendment to Engagement Letter.

Confidential Information:

You should make every attempt to minimize or eliminate the transmission of personal information to the Auditor of State (AOS). All documents you provide to the AOS in connection with our services including financial records and reports, payroll records, employee rosters, health and medical records, tax records, etc. should be redacted of any personal information. Personal information includes social security numbers, date of birth, drivers' license numbers or financial institution account numbers associated with an individual. The public office should redact all personal information from electronic records before they are transmitted to the AOS. This information should be fully blacked out in all paper documents prior to sending to the AOS. If personal information cannot be redacted from any records or documents, the public office must identify these records to the AOS.

If redacting this personal information compromises the audit or the ability to prepare financial statements, the public office and the AOS will consider these exceptions on a case-by-case basis. Additionally, if redacting this information creates a hardship on the public office in terms of resources, recordkeeping or other issues, the public office and the AOS may collaborate on alternative methods of providing the public office's data to the AOS without compromising the personal information of individuals served by the public office. The AOS is willing to work with the public office and it is our intent to greatly reduce the amount of personal information submitted to the AOS for audit or financial statement preparation purposes. It is important that the public office review internal policies to find ways to eliminate as much personal information from financial records as possible by substituting non-personal information (i.e., change social security numbers to employee identification numbers).

Fee

Except for any changes in fees and expenses which may result from the circumstances described above, we expect our fees and expenses for our audit services will not exceed \$28,700.

City of Richmond Heights
January 22, 2018
Page 7

Pursuant to Ohio Rev. Code Section 117.13, you may charge all of this audit's cost in the general fund or you may allocate the cost among the general fund and other eligible funds.

Reporting

We will issue a written report upon completing our audit of your financial statements. We will address our report to those charged with governance. We cannot assure you that we will issue an unmodified opinion. Circumstances may arise in which it is necessary for us to modify our opinion, add another matter or emphasis-of-matter paragraph or withdraw from the engagement.

Upon completing our audit, we will also issue a written report in accordance with Government Auditing Standards on internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters.

Access to Our Reports and Working Papers

AJ-C 905—*Alert That Restricts the Use of the Auditor's Written Communication* requires our reports to disclose the following:

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Required by Government Auditing Standards.

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed under Government Auditing Standards in considering the City's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

AJ-C 905 requires us to include this restrictive language in our reports due to concerns that other readers may not fully understand the purpose of the report, the nature of the procedures applied in its preparation, the basis or assumptions used in its preparation, the extent to which the procedures performed are generally known or understood, and the potential for the report to be misunderstood, when taken out of the context for which it was intended.

However, under Revised Code Section 117.26, an audit report becomes a public record under Section 149.43, Revised Code, when we file copies of the report with the public officers enumerated in the Revised Code. When we file the reports, our working papers become available to the public upon request, subject to information protected for criminal investigations by attorney-client privilege or by local state or federal law. AJ-C 905 does not effect public access to our reports or working papers.

Under generally accepted auditing standards, we must retain working papers for five years after the release date of our opinion. However, AOS policy requires we retain working papers for seven years or longer, as needed.

Peer Review Report

As required by Government Auditing Standards, we have made our most recent external quality control review report (Peer Review) publicly available, at <https://www.ohioauditor.gov/publications/Peer-Opinion-2018.pdf>. Audit organizations can receive a rating of pass, pass with deficiencies, or fail. The Auditor of State received a peer review rating of pass.

Please sign and return this letter to indicate your acknowledgement of, and agreement with, the arrangements for our audit of the financial statements including our respective responsibilities. If you have any questions, please call Matthew Goldman at 216-787-3855.
