WHEREAS, in 1969 the City Council provided for the position of "City Landscape Architect" to be appointed by the Mayor and subject to confirmation by Council that has been codified at Section 150.07 of the Codified Ordinances of the City since that time;

WHEREAS, over the past several years, there has been virtually no need for the services of an appointed City official to the position of "City Landscape Architect" and the last person appointed to that position was Douglas Nemeckay by Mayor Daniel Ursu many years ago;

WHEREAS, although the Mayor has the authority to replace the City Landscape Architect at any time and for any or no reason, it is proposed that the position of "City Landscape Architect" in the Codified Ordinances be abolished and that when landscape architectural services are needed by the City, that a landscape architect be engaged as an independent contractor or a landscape architect who may be on the staff of the City Engineer's firm be used;

WHEREAS, it is anticipated that with the current redevelopment projects at the Richmond Town Square Mall area, the services of a landscape architect will be needed.
