City of Richmond Heights Auxiliary Police Looking for Volunteers to Help Protect and Serve

Auxiliary officers directly impact our community. Most often it is through patrolling the City streets for a four-hour shift and being a good observer. Other times, it may be directing traffic due to an accident, flooding, or assisting other officers. Auxiliary officers do not carry firearms, are not expected to make arrests, and do not respond to most calls. Other than for emergencies, the scheduling is very flexible and can accommodate most lifestyles. Previous related experience or exceptional physical strength are not necessary.

Requirements for applicants include: At least 21 years old, a “clean” criminal background, volunteering a minimum of 12 hours per month, and a dedication to serving the community. Training for new applicants consists of a total of 24 hours, which is spread out over six training sessions. All uniforms and equipment are provided to you from the department at no cost. For more information or to sign up, contact the non-emergency Police Department line at (216) 486-1234.
