**FIRE PREVENTION WEEK OCTOBER 3-9, 2021** This year's Fire Prevention Week campaign, "*Learn the Sounds of Fire Safety*"™ works to educate everyone about simple, but important actions they can take to keep themselves and those around them safe.

The Richmond Heights Division of Fire wants to share safety tips to help you "*Learn the Sounds of Fire Safety*"™

- A continuous set of three loud beeps—beep, beep, beep—means smoke or fire. Get out, call 9-1-1, and stay out.
- A single chirp every 30 or 60 seconds means the battery is low and must be changed.
- All smoke alarms must be replaced after 10 years.
- Chirping that continues after the battery has been replaced means the alarm is at the end of its life and the unit must be replaced.
- Make sure your smoke and CO alarms meet the needs of all your family members, including those with sensory or physical disabilities.

To learn more about Fire Prevention Week programs and activities in Richmond Heights, please contact the **Richmond Heights Division of Fire at (216) 383-6325**. For more general information about Fire Prevention Week and fire prevention in general, visit [www.fpw.org](http://www.fpw.org).

The Richmond Heights Division of Fire participates in the American Red Cross Operation Save-A-Life program, which provides free home fire safety checks and smoke alarm installations. Smoke alarms are provided to Richmond Heights homeowners in need (landlords are required to provide them in rental properties). If you would like to schedule a smoke alarm checkup visit from your local firefighters, please call the **Fire Smoke Alarm Hotline: (216) 361-5535**.
