We are pleased to submit for your consideration this proposal to provide Engineering Services to the City of Richmond Heights. The following will confirm our understanding of the project and the scope of our services.

SCOPE OF SERVICES

We will provide the engineering, bidding and limited construction services required for the DeSan Park Asphalt Demolition Project. The City has applied for, and received, the ability to use up to \$150,000 of our Northeast Ohio Regional Sewer District Community Cost Share Fund for this project.

The construction drawings will consist of a plan sheet establishing the limits of pavement removal, staging, and erosion and sediment control measures. Notes and details will be provided specifying the proposed conditions. We will conduct the competitive bidding and awarding process and provide up to three site visits during construction to monitor progress. A report documented these visits will be provided.

Verdantas will accomplish the work outlined in the Scope of Services for the following lump sum fees:

Engineering	\$ 3,000.00
Bidding	\$ 4,000.00
Construction Services	\$ 2,000.00
Total Fee	\$ 9,000.00

The fee will include the services rendered in the Scope of Services and include the following categories of expenses: transportation (including mileage) for the meetings and site visits required to complete the tasks.

CLOSURE

If you concur with these terms and wish us to proceed with the aforementioned work, please sign Task Order 4.
